

HB 1032 -- Political Participation by State Employees

Sponsor: Jones (50)

This bill changes the laws regarding political participation by state employees. In its main provisions the bill:

- (1) Prohibits a person from soliciting funds for any political purpose including candidate donations, political party donations, or political funds as a condition of employment;
- (2) Allows state employees to voluntarily engage in political activities during any non-working hours including state and federal holidays, evenings, and weekends; and
- (3) Allows a state employee to be a candidate for partisan and non-partisan public offices.
